Choose a password that matches the requirements listed. This may be things like length, numbers, or symbols.

Enter your First Name, Last Name, Country of Residence, and Zip Code.

You MUST mark the second checkbox to proceed, which acknowledges you agree to the Terms of Use, etc.

Then click, "NEXT"

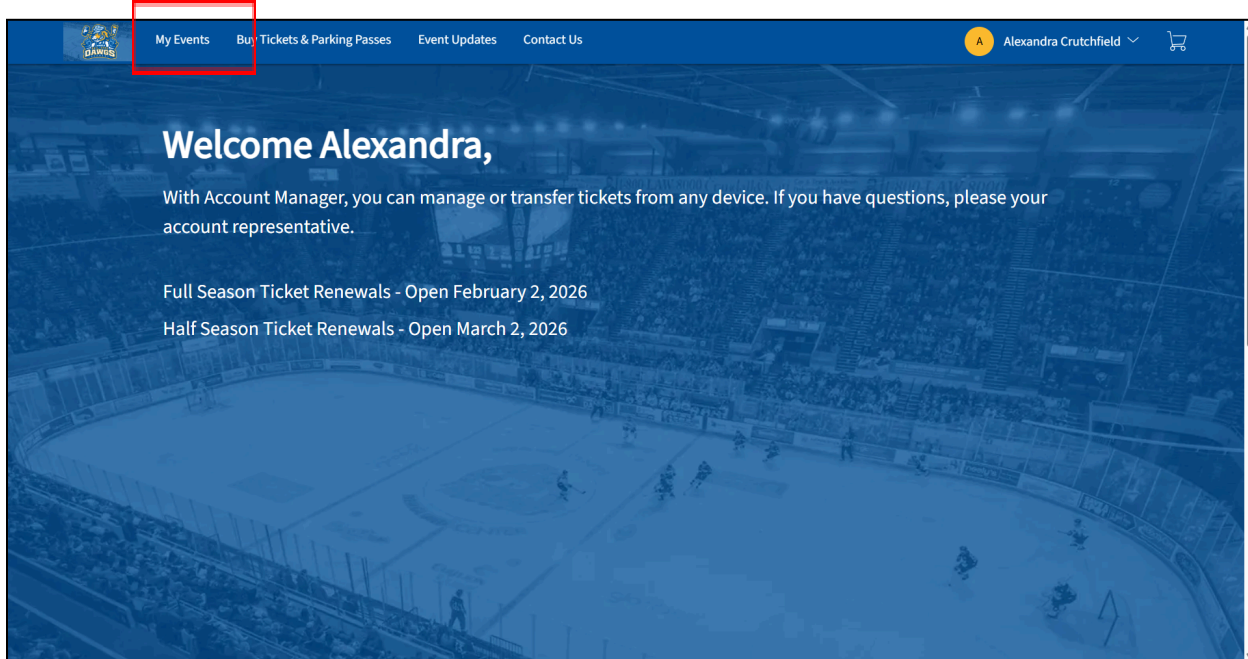

You will now be required to verify both your email address and cell phone number.

To verify your email address, you will receive a six-digit numerical code that you will retrieve from your email's inbox. Once you have the code, you will return to this screen to enter it.

To verify your cell phone number, you will receive a six-digit numerical code that you will retrieve as a text message. Once you have the code, you will return to this screen to enter it.

Once both your email and cell phone number are verified, click "DONE."

Once your account has been created by completing all the previous steps, you will be redirected to this page.

In the top left corner of the screen, click "MY EVENTS."
